Join the Chamber Foundation in equipping our workforce and investing in our future.

The Columbia County Chamber Foundation cordially invites you to participate in the 4th Annual Career & College Expo on **March 6, 2025**, at the Columbia County Exhibition Center. This event was created as an intersection of the educational and business sectors to cultivate an outstanding future workforce. Educating our students and parents on local career opportunities and paths to successful employment is crucial for the growth and development of your business and our community.

The Expo will host universities, technical colleges, and trade organizations working in partnership with the businesses at the event.

Each business will be asked to provide hands-on simulations and other visuals to help create an immersive experience about your career(s).

Provide expo goers with visuals of a description of the company, education/skills needed, and salary range for this type of position. Other information that may be shared includes benefits, shadowing opportunities, and if your business is participating in the Summer Internship Program.

Set-Up: 10:00 a.m. – 3:45 p.m. All booths must complete set up by 3:30pm.
Expo time: 4:00 p.m. – 7p.m.
